Triple Buffet Server Warming Tray

Model #15105

Hot and ready
to serve

Converts to a
warming tray

See thru plastic
lids with
spoon slot

Perfect for holidays, patio parties or family gatherings!

For people who like to entertain, Deni introduces the Triple Buffet Server. This appliance keeps food hot, fresh and ready to serve whenever your guests are ready.

The stainless steel serving trays can be removed revealing a stand alone warming tray. Keep casseroles warm right from the oven or heat up tasty hor d'oeuvres.
