Heated Chip and Dip Tray

Model #15700

Fruit Fondue

Cheese and Crackers

Can also be used
for cold dips

Barbequed Foods

For today's consumer who likes to entertain, Deni introduces the Heated Chip and Dip Tray. This unit will keep your hot dips warm and at the perfect temperature for long periods of time.

Removable heating base provides more versatility. Now, it can be used for cold dips. The inner bowl is ceramic stoneware that will keep your cold dips cold for a longer period of time compared to plastic.
