## CAFÉ CHIC Cappuccino Maker

The gracious **CAFÉ CHIC** cappuccino maker produces tasty espresso and authentic Italian cappuccino using a specialized ThermoCream system and a powerful 15 bar pump, doing so with ease and stability. Accepts either ground coffee or the mess free coffee pods. Easy to clean thanks to the removable tray and water tank. **CAFÉ CHIC** is equipped with a high pressure safety valve and a self priming pump to prevent wait times and leakage from the brew head. On top is a conveniently located cup warmer and on the side is a clearly visible water level container. High quality push buttons and on/off light indicators make the espresso brewing experience easy and practical for every coffee lover.
