

8" Digital Photo Frame

WITH EASY TOUCH CONTROLS

DPG801BK

Picture perfect memories.

Delight your loved ones with ViewSonic's 8" DPG801BK digital photo frame. Insert the memory card from your digital camera and use the easy-to-use touch controls to scroll through your photos, create a slideshow or add MP3 audio to your viewing. The control buttons are hidden until you touch the frame to illuminate them, maintaining a fingerprint-free screen and smooth lines on the frame. The 800x600 high resolution screen displays your photos in beautiful color and vivid detail. As a gift, the DPG801BK is the picture perfect way to show your loved ones how much you care. Preserve your memories and relive them anytime with the DPG801BK digital photo frame.
