We've Made a Change!

Please identify and **discard** the seven #8 x $\frac{1}{2}$ " (blunt) screws and four #8 x $\frac{7}{8}$ " (pointed) screws found in the small parts bag enclosed with your vehicle. We've made a change to the assembly of your vehicle and use of these screws is no longer required. The screws are pictured below at actual size to help you identify them. Please remember to keep small parts, such as screws, out of children's reach.
