PARTS INVENTORY

The Model H3033 was carefully packed when it left our warehouse. If you discover the cart is damaged after you have signed for delivery, *please immediately call Customer Service at (570) 546-9663 for advice.*

Save the containers and all packing materials for possible inspection by the carrier or its agent. *Otherwise, filing a freight claim can be difficult.*

When you are completely satisfied with the condition of your shipment, you should inventory the contents.

! WARNING

Children may climb into plastic bags and suffocate. Keep all plastic bags included in packaging out of the reach of children.

! CAUTION

Adult supervision is always required while this wagon is being used by children.

ASSEMBLY INSTRUCTIONS

The Model H3033 Heavy-Duty Nursery Push Cart is great for chores around the yard. The 20" tires provide easy rolling and the fold down fence keeps lifting to a minimum.

When assembling the cart, tighten all nuts and bolts finger tight, then, when the entire cart is assembled, tighten all nuts and bolts firmly.

FENCES, HANDLES, AND LEGS

1. Bolt the left and right fence sides to the inside of the base using the M8-1.25 x 35 hex bolts, 8mm flat washers, lock washers, and hex nuts.
2. Place the rear fence studs through the inside of the rear end of the base.
3. Place the end of the legs with one hole on the fence stud and fasten with hex nuts, 8mm flat washers, and lock washers.
4. Finish mounting the legs by bolting them to the frame with the M8-1.25 x 25 hex bolts, flat washer, lock washers and hex nuts.
5. Bolt the handles to the left and right fences with the straight slot screws, hex nuts, flat washers and lock washers.
6. Install the front fence to the base with hinges to the outside. Align the hinges and slide the hing pins through.

AXLE AND WHEELS

1. Turn the cart upside down and place the axle through the axle housing on the bottom of the base.
2. Place a wheel and 20mm flat washer on each axle end.
3. Insert and spread a cotter pin through each axle.

If you need additional help with this procedure, call our service department at: (570) 546-9663.
