

GRUNDIG

TIMELESS PERFORMANCE

GS350DL Tough Enough

AM/FM/Shortwave Radio

SPECIFICATIONS

The S350DL is one of our best-performing radios. The rugged body, military-style controls, and precise tuning mean this radio is as well-suited to an African safari as it is to a weekend camping trip. You get excellent AM, FM, and Shortwave reception, thanks to its sensitive tuner and ability to connect antennas externally. And we didn't skimp on sound—you get a large, full-range speaker designed for your listening pleasure.
