

ONE YEAR LIMITED WARRANTY
(Valid in USA only)

HoMedics, Inc., guarantees this product free from defects in material and workmanship for a period of one year from the date of original purchase, except as noted below.

This HoMedics product warranty does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorized accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This warranty is effective only if the product is purchased and operated in the USA. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications is not covered under warranty. HoMedics shall not be responsible for any type of incidental, consequential or special damages. All implied warranties, including but not limited to those implied warranties of fitness and merchantability, are limited in the total duration of one year from the original purchase date.

To obtain warranty service on your HoMedics product, either handdeliver or mail the unit and your dated sales receipt (as proof of purchase), postpaid, along with check or money order in the amount of \$5.00 payable to HoMedics, Inc. to cover handling.

Upon receipt, HoMedics will repair or replace, as appropriate, your product and return it to you, postpaid. If it is appropriate to replace your product, HoMedics will replace the product with the same product or a comparable product at HoMedics' option. Warranty is solely through HoMedics Service Center. Service of this product by anyone other than HoMedics Service Center voids warranty.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state. Because of individual state regulations, some of the above limitations and exclusions may not apply to you.

Give Your Feet The Attention They Deserve

Thank you for purchasing the Sole Mate Portable Pedicure Kit. This pedicure kit is built with high quality craftsmanship to ensure years of dependable use.

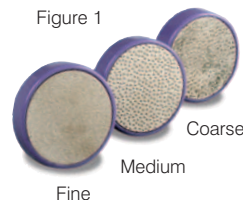

IMPORTANT SAFETY INSTRUCTIONS:

- Unit should never be used in the presence (direct or indirect) of any liquids. The Sole Mate Portable Pedicure Kit is not waterproof, and will short circuit when in contact with liquids. This includes areas of extreme humidity (i.e. bathroom), where corrosion can take place.
- Avoid exerting strong pressure on the massage head. Never drop or strike the unit against a hard surface.
- Dead batteries should be immediately removed from the battery compartment, as they will leak and corrode the internal contacts.

WARNING

Caution – Please read all instructions carefully before operating.

- Close supervision is mandatory when this appliance is used by, on or near children, invalids or disabled persons.
- For health and safety reasons, avoid usage of product directly over any sensitive or irritated areas.
- Individuals with any previous medical conditions should refrain from using this product.
- This product is intended for hand-held, intermittent use and should be operated for no more than 30 minutes at a time. For best results, unit should be used for short periods of 5 to 10 minutes.

MAINTENANCE

- Never use benzene, thinners, or any other organic solvents to clean the product. Use of these cleansers will damage the unit.
- Only a damp cloth should be used to clean the pedicure unit and its attachments.

To Apply Attachments:

1. Select the attachment you wish to use. (See Figure 1.)
2. Secure the attachment to the Sole Mate unit. (See Figure 2.)

For Battery Insertion:

1. Remove the battery cover in the direction of the arrow. (See Figure 2.)
2. Insert 2 "AA" batteries (not included) into the compartment. Once complete replace battery cover.
DO NOT MIX OLD AND NEW BATTERIES, DO NOT MIX ALKALINE, STANDARD (CARBON-ZINC) OR RECHARGEABLE (NICKEL-CADMIUM) BATTERIES.

How to Turn Off and On:

1. Locate the on/off switch on the side of the Sole Mate unit. (See Figure 2.)
2. Push the switch to the 'I' position to turn on.
3. Push the switch to the 'O' position to turn off.
