

KPS-2000

Item # **KPS-2000**

Imagine the space-saving design of the 1800 gym, with a horizontal pressing station and a second weight stack – you have just visualized the KPS 2000 Home Gym! The traditional horizontal press arm conveniently folds down out of the way allowing you to supplement your gym exercises with dumbbell workouts. This potent combination gets even better with the addition of the optional leg press (LP1).
