FOR THE WAY IT'S MADE.®

Hassle-Free Replacement Warranty

Warranted to be free from defects in material and workmanship under normal use and service for the period of the warranty. If a defect is found, the product will be repaired, replaced, or refunded at the discretion of KitchenAid. This warranty is void if the product is used for commercial purposes, altered, or if the serial number is removed or tampered with. For more information, please contact your local KitchenAid service center.

If you reside in the United States and are a registered owner of a KitchenAid product, you are eligible for this warranty. To register your product, please call 1-800-541-6390. This warranty is valid only for products purchased in the United States. It does not cover products purchased in other countries. For more information, please visit our website at www.kitchenaid.com.

Product Registration Card

Please provide the following information to register your product. This card does not verify your warranty.

KEEP A COPY OF THE SALES RECEIPT SHOWING THE DATE OF PURCHASE OF YOUR TOASTER. PROOF OF PURCHASE WILL ASSURE YOU OF IN-WARRANTY SERVICE.

Your safety and the safety of others are very important.

We have provided many important safety messages in this manual and on your appliance. Always read and obey all safety messages.

This is the safety alert symbol.

This symbol alerts you to potential hazards that can kill or hurt you and others.

All safety messages will follow the safety alert symbol and either the word "DANGER" or "WARNING." These words mean:

! DANGER

You can be killed or seriously injured if you don't immediately follow instructions.

! WARNING

You can be killed or seriously injured if you don't follow instructions.

All safety messages will tell you what the potential hazard is, tell you how to reduce the chance of injury, and tell you what can happen if the instructions are not followed.

IMPORTANT SAFEGUARDS

1. Read all instructions.
2. Do not use the appliance if you are injured or ill.
3. The appliance is not to be used for drying clothes, or for drying other items.
4. Do not use the appliance for drying clothes or for drying other items.
5. Do not use the appliance for drying clothes or for drying other items.
6. Do not use the appliance for drying clothes or for drying other items.
7. Do not use the appliance for drying clothes or for drying other items.
8. Do not use the appliance for drying clothes or for drying other items.
9. Do not use the appliance for drying clothes or for drying other items.
10. Do not use the appliance for drying clothes or for drying other items.
11. Do not use the appliance for drying clothes or for drying other items.
12. Do not use the appliance for drying clothes or for drying other items.
13. Do not use the appliance for drying clothes or for drying other items.
14. Do not use the appliance for drying clothes or for drying other items.
15. Do not use the appliance for drying clothes or for drying other items.
16. Do not use the appliance for drying clothes or for drying other items.

You may also use the information listed under Standard First Year Warranty to arrange for service after your warranty expires.

Standard First Year Warranty

(Required Warranty Service for Puerto Rico)

Please bring your toaster and proof of purchase to the nearest authorized service center. Call 1-800-541-6390 for more information. Your toaster is covered under the standard warranty.

Authorized service centers are listed in the back of the manual. For more information, call 1-800-541-6390. Address: P.O. Box 218, S.J. M.C. 49085-0218. Call 1-800-541-6390.

How To Arrange For Service - Outside The USA

To arrange for service outside the USA, please contact the nearest authorized service center. Call 1-800-541-6390 for more information.

If You Need Service or Assistance

KEEP A COPY OF THE SALES RECEIPT SHOWING THE DATE OF PURCHASE. PROOF OF PURCHASE WILL ASSURE YOU OF IN-WARRANTY SERVICE.

If your toaster should malfunction or fail to operate, please read the following:

1. Check the power cord and plug. Make sure the toaster is properly plugged into a standard wall outlet. 2. Check the power switch. Make sure it is turned on. 3. Check the browning control. Make sure it is set to the desired browning level. 4. Check the crumb tray. Make sure it is properly inserted. 5. Check the heating elements. Make sure they are not damaged or blocked. 6. Check the internal wiring. Make sure it is not loose or damaged. 7. Check the control panel. Make sure it is not damaged or blocked. 8. Check the crumb tray. Make sure it is properly inserted. 9. Check the heating elements. Make sure they are not damaged or blocked. 10. Check the internal wiring. Make sure it is not loose or damaged.
