

# Splendide® Ariston

# 120V Collection RV & Marine

© Copyright 2006, Westland Sales, Clackamas, OR 97015

**Industry leaders since 1984, Westland Sales is your source for specialized RV and Marine laundry appliances and exceptional product support.**

## Advantages

- More cycles and options than any other 120V stacking pair
- Biggest available 120V dryer door opening for easier loading and unloading
- Largest capacity dryer in it's class. Dries larger loads and dries fabrics more evenly with less creases

## Washer Features

- Up to 12 lbs. capacity
- 11 Wash programs
- Fully adjustable water temperatures and spin speeds that others don't offer
- Sleek, "Pop Out" knobs
- Convenient slide-out "Program Key" inside the dispenser drawer
- 1200 RPM High Spin
- Durable stainless steel tub
- ENERGY STAR® resource savings

## Dryer Features

- Up to 13 lbs. capacity
- Variable Time Drying (20-170min.)
- Convenient 'Auto Dry' program stops automatically when the laundry is dry
- Extra-large, 4 cu. ft. drum and 14" door opening
- Air Fluff cycle
- 'Easy Iron' cycle softens fibers and gets clothing ready to be ironed
- 'High Heat/Low Heat' button
- Easy-to-clean, removable lint filter
- Durable stainless steel drum
