

Fire Brigade Key Box

FSK700-2

- **Safekeeping of the building key**
- **High mechanical safety due to the use of massive materials**
- **Monitoring for sabotage and key withdrawal**
- **Heating protects outer door against freezing**
- **Operating voltage 12/24VDC**
- **Connection to all usual fire detection control panels**

Description

In fire fighting, the quick, unhindered access to the scene of the fire is important for the fire brigade. In addition, the object also needs to be protected against intrusion by unauthorised persons. The Fire Brigade Key Box FSK700-2 serves for the theft-safe and copy-protected safekeeping of a building key. In the event of a fire, the control logic unblocks the door of the depot and allows the fire brigade quick and nonviolent access to the building.

The housing and the outer door of the key box are completely made of stainless steel. An electric drilling protection and inner doors made of 5mm stainless steel ensure high security. The withdrawal of the building key is monitored by a micro switch. If the key is not deposi-

ted properly afterwards, a buzzer sounds.

The outer door and the blind frame that is fixed to the safe are made of ground stainless steel and represent a stylish visible area. The special design of the interior ensures great ease of use.

The wide range of accessories, such as the Flush Mounting Frame EZ700-2 for easy installation, inner doors for the different locks, the protective cover as well as the power supply for the heating of the outer door allow to completely adapt the product to the particular application. The electrical connection is established comfortably by means of screw terminals.

The Fire Brigade Key Box FSK700-2 has been tested according to VdS 2105.

Specifications

Operating voltage	12/24VDC $\pm 15\%$
Current consumption door opener	250mA (active) at 12/24VDC
Heating	24VAC/DC, 5VA
Environmental class	IV
Ambient temperature	-25°C to +70°C
Protection class	IP44
Dimensions W x H x D	280 x 264 x 145 (mm)
Weight	10.6kg
Approval	VdS G199055
Order number	265740
Order name	Fire Brigade Key Box FSK700-2
