This Philips baby monitor lets you get on with your work or simply relax by yourself or with friends, secure in the knowledge that baby is resting peacefully or playing happily. Easy to install and use, this model features sound-level lights that enable you to watch the level of baby's sounds without disturbance, no matter where you are in the house.

Interference free

Advanced technology ensures no interference from other cordless devices or other brands of baby monitor.

Range up to 150m

Gives you the freedom to bring the Parent unit with you anywhere around the house.

Portable and rechargeable

Cost-saving rechargeable batteries in the Parent unit last up to 12 hours before recharging is needed.

Sound-level lights

Let you watch the level of the baby's sounds with the volume turned down.

Continuous Communication Link (pilot tone)

Hidden signal that ensures a continuous link between both units so you only hear your baby's sounds.

Charging base included

For quick and easy charging of the batteries.

Two power adapters included

For immediate operation of both units from the mains supply.

Battery-low indicators

Tell you immediately when your batteries are low.

Battery back-up option

Ensures operating reliability at all times.

Two channels

For reliable, interference-free operation.

Two AC power adapters included.

Rechargeable batteries for Parent unit included.

Baby unit batteries optional.
