

Philips  
Satinelle Ice

HP6492

## New ceramic epilator from Philips Norelco

### Ice & massage for a more gentle hair removal

Thanks to the soothing properties of ice and an integrated massage system, the new Satinelle Ice significantly reduces the negative sensation normally associated with epilation.

#### **Advanced pain reduction system**

- Integrated skin cooler
- Pivoting cooling head
- Integrated massaging system

#### **Unique ceramic epilating head**

- Hypo-allergenic ceramic epilating head
- Curved epilating head
- Higher rotation speed

#### **Additional benefits**

- Detachable Shaving head
- Exfoliating body puff
- New ergonomic design
- Two speed settings

**PHILIPS**  
sense and simplicity

- **A-box dimensions:** 10.4"x12.5"x7.3" (width x depth x height) mm
- **Weight A-box:** 3.3 g
- **No. of pieces per A-box:** 2 pcs

## Product highlights

### Integrated skin cooler

*Cools and soothes the skin during and immediately after epilation, making hair removal more gentle than ever.*

### Pivoting cooling head

*Follows the body's contours during epilation and immediately calms any negative sensation on the skin.*

### Integrated massaging system

*Works with the skin cooler to distract from the sensation of epilation.*

### Hypo-allergenic ceramic epilating head

*Better skin care by reducing the risk of allergic skin irritation.*

### Curved epilating head

*For improved grip on hair, ensuring that up to 95% of hairs are removed at the root in one stroke.*

### Higher rotation speed

*For more effective hair removal.*

### Exfoliating body puff for less ingrown hairs

*Reduces ingrown hair.*

### New ergonomic design

*For easier handling.*

### 2 speed settings

*Speed 1 for fine hair, speed 2 for thicker hair.*
