

Philips
steam iron

GC1408

Fast and efficient - guaranteed

Speed shaped soleplate

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its uniquely designed steam holes and non-stick soleplate, this quality iron is simply built for speed.

Easily removes creases

- Specially designed steam holes for best steam flow
- Continuous steam up to 17g/min for better crease removal
- A fine spray evenly moistens the fabric

Easy gliding on all fabrics

- Non-stick soleplate for excellent gliding on all fabrics

Longer lifetime

- Calc-clean function flushes scale particles out of the iron

Comfortable ironing

- The iron is suitable for use with tap water
- Less refilling with large 200ml water tank

Full control

- Iron temperature-ready light

PHILIPS
sense and simplicity
