DESCRIPTION

Our 500 series vacuum pressing tables are equipped with the industries strongest (for fast drying time) and fastest (no waiting for the motor to rev up) 3/4 h.p. vacuum motors.

Standard features include easy height adjustment to accommodate the comfort level of the operator, high-quality silicone pad and nylon cover to ensure strong vacuum, and a built-in heating element to assist drying and ensure long life. No other series of vacuum tables offers so many standard features.

The 523HA vacuum table comes equipped with the heavy duty #400 series cast swing arm assembly, an adjustable thermostat, and the #100890H universal buck for pressing jackets, pant tops, skirts and other small parts.

BEST USED FOR

Shirts, pants jackets, general touch-up work
