DESCRIPTION

The combination of strong vacuum, build quality, performance and value separates the 624HA from the competition.

Our 600 series vacuum pressing tables are equipped with the industries strongest (for fast drying time) and fastest (no waiting for the motor to rev up) 0.8 h.p. vacuum motors.

Standard features include an exhaust chimney for the hot air, high-quality pad and nylon cover to ensure strong vacuum, and a built-in heating element to assist drying and ensure long life.

The 624HA vacuum table is comes standard with a swing arm and sleeve buck for those looking for maximum flexibility.

BEST USED FOR

Skirts, blouses, dresses and shirts
Children's clothing
General touch-up work
