DESCRIPTION

The new Pantman professional quality pant press is the easiest - quickest way to look your best, every day.

Simply load both pant legs onto the unit, close, and in less than 20 minutes you will have a beautifully pressed pair of pants. Think of the money you will save on dry-cleaning bills!

The Pantman works with all kinds of pants and fabrics, from khakis to wools, casual to dress. You will be amazed at how easy the F1 is to use, and how quickly a fresh pressed pair of pants will be at your fingertips.

The Pantman is equipped with auto-shut off that prevents overheating, protecting you and your garments from damage.

Once you've used the Pantman, you'll want to have one everywhere you need to look your best... your home, the office, even the cottage.
