Technical Information

Model	door maximum width	door maximum height
72250100	38-5/8" (98.1 cm)	72" (182.9 cm)

Installation Notes

Install this product according to the installation guide.

Size the drain cutout to fit the drain assembly that will be used.

End stud positioning is critical.

Double studding is recommended for pivot shower door installations.

Studs should be positioned roughly as shown for roofing nail installation.

Receptor cannot be installed without the wall surround.
