40 Cup Coffee Urn

Model #15600

2-Way Faucet

Brews 1 Cup
Per Minute

Stainless Steel
Filter Basket

The Deni 40 cup Coffee Urn makes it easy to serve a crowd. This unit is perfect for entertaining those coffee connoisseur's. Serve your coffee hot and serve it fast. This efficient brewing system brews 1 cup per minute. The 2-way faucet makes dispensing effortless. The cool touch handles and base allow for easy transportation. Make the coffee ahead of time and the urn will automatically switch to keep warm, so it is hot and ready when needed.

This appliance compliments the Deni Buffet Servers nicely.
