

Espressione

Espression Supremma

The beautiful Espression Supremma is a professional brewing system developed by Bianchi, a renowned Italian manufacturer of vending machines. This super automatic coffee center is ready to serve your every coffee need with a simple press of a button. Whether for one shot or a group festivity this is the all in one coffee power-house that requires absolutely no maintenance. Professional performance in an espresso coffee machine with elegant refined design. Complete with a fully programmable incorporated professional ceramic dozer and grinder, coffee essence system (CES), can be used with whole bean or ground coffee.

CA4815

Additional features include:

- Easy to use Touch Screen displays information on the selection made and guides the user
- Top performance 18 Bar pump, 8 programmable options, and temperature control
- Large 1.8 liter removable water tank on the side with visible water level, easy to clean
- Powerful Maxi Cappuccino milk frothing device for making perfect Cappuccinos and Lattes
- Coffee Essence System (CES) is a pre-infusion that extracts and boosts the aroma and flavor of the coffee, works with either ground coffee or whole beans.
- Professional quality adjustable ceramic grinders do not burn the coffee even at high speeds thus preserving the real taste and provides variation in coarseness
