

ELECTRIC COFFEE MAKER

ALICIA LA MOKA DE' LONGHI EMK6

Alicia
LA MOKA DE' LONGHI

The electric coffee maker switches off automatically and keeps coffee warm for 30 minutes. Coffee doesn't boil over.

Transparent lid and coffee container, unbreakable and easy to clean

The cool touch base allows to put the moka everywhere

"KEEP-WARM" SYSTEM: coffee is kept warm and good for 30 minutes. The coffee maker switches off when you lift it from the electric base, but switching it on again coffee is kept warm for another 30 minutes
