

## FACT SHEET

### RICE COOKER

Model Number: RC1010BC

Make healthy brown rice and so much more! Our Intelli-Probe™ digital controls offer rice-specific settings and heat up to 500°F, while a large-capacity steaming basket lets you make fresh fish and vegetables for complete healthy meals in one compact appliance. All this, plus our durable, nonstick coating that lets you cook without oil or butter, so your family can enjoy healthy meals without a lot of extra hassle for you in the kitchen.

#### KEY PRODUCT FEATURES INCLUDE:

- One-touch Digital controls for white and brown rice, plus variable settings for stews, soups, sauces, even sear button for meats and one touch steam for easy, healthy meals in minutes
- Stainless Steel Steam Basket for perfect steaming
- Nonstick Coating for oil-free cooking
- Unique 500°F digital Intelli-probe™ provides one touch cooking functions for a variety of healthy dishes and techniques
- Embedded Heating Element for even cooking, better browning and faster reducing
- Large Capacity (5.5 Quarts/ 22 Cups) capacity for cooking for your entire family
- Tempered Glass Lid with Adjustable Steam Vent for monitoring your cooking progress and controlling steam
- Intelli-probe™ is removable for easy cleaning
- Compact Design for easy storage in your kitchen cabinets
- Die-Cast Aluminum Vessel with “gun metal” finish
- 2 Years Warranty
