BREVILLE RECOMMENDS SAFETY FIRST

We at Breville are very safety conscious. We design and manufacture consumer products with the safety of you, our valued customer, foremost in mind. In addition, we ask that you exercise a degree of care when using any electrical appliance and adhere to the following instructions.

IMPORTANT SAFEGUARDS.

- Do not immerse the motor base, plug or cord in water or any other liquid.
- Always use the appliance on a dry, level surface.
- Always switch the appliance to 'OFF', switch the power off at the power outlet and then remove the plug when the appliance is not being used and before cleaning.
- The grinder cannot be switched on until the lid is in position.
- The appliance is not intended for use by young children or infirm persons without supervision.
- Do not leave the appliance unattended when in use. Young children should be supervised to ensure that they do not play with the appliance.
- Do not let the cord hang over the edge of a table or counter, touch hot surfaces or become knotted.
- Do not place this appliance on or near a hot gas or electric burner, or where it could touch a heated oven.
- This appliance is for household use only. Do not use this appliance for anything other than its intended use. Do not use outdoors.
- Do not operate this appliance for longer than 60 seconds as this could cause overheating. Allow appliance to cool down for 10-15 minutes after long operation.
- Regularly inspect the supply cord, plug and actual appliance for any damage. If found damaged in any way, immediately cease use of the appliance and return the entire appliance to the nearest authorised Breville service centre for examination, replacement or repair.
- The installation of a residual current device (safety switch) is recommended to provide additional safety protection when using electrical appliances. It is advisable that a safety switch with a rated residual operating current not exceeding 30mA be installed in the electrical circuit supplying the appliance. See your electrician for professional advice.
