Setting up the Pack 'N Play® is easy, once you know how:

To Set Up Your Pack 'N Play®

Step 1.

Undo the three VELCRO® straps. Fold VELCRO® straps back onto themselves.

Set mattress aside.

Step 2.

IMPORTANT: Leave center of floor UP until all four top rails are latched.

Grasp the bottom of two of the top rails, and pull up until you hear a "click."

Be sure top rails have become rigid.

If not, pull up again until they are rigid.

FOR SMOOTH SETUP and takedown, it's important to remember one thing: the center of the floor must be at least halfway up when locking OR unlocking rails (see picture below). Therefore:

- **When setting up, lock rails BEFORE lowering center.**
- **When taking down, raise center halfway BEFORE unlocking rails.**

Step 3.

Pull up the other two sides until they latch.

If top rails do not latch, lift the center of the floor higher. Center of floor must be at least halfway up for the latches to catch properly.

Be sure all top rails are rigid.

Step 4.

Hold one end of the unit up and push the center of the floor down.

At first your Pack 'N Play may be like a new pair of shoes. You may need to break it in by slightly stretching the netting and fabric. If the center does not stay down, place some weight (several books) in the center of the unit and let it stand overnight.

Step 5.

Place the mattress into your unit with padded side up.

Always use your unit with mattress installed soft side up.

Slide the two VELCRO® straps through slots in bottom of Pack 'N Play and fasten to VELCRO® on underside. This will prevent mattress from moving.

Your Pack 'N Play is ready to use.

Side Flap (on certain models)

You can raise side flap if desired.

Unfasten VELCRO® straps at bottom of flap. Roll flap up. Fasten in place with snap loops at top.

Toy Bag (on certain models)

Toy bag snaps on end of unit. Maximum weight 2 lbs (0.9 kg).

DO NOT machine wash or dry in a dryer. DO NOT dry clean. Spot clean with a damp cloth and a mild detergent. NO BLEACH.

▲ WARNING

To protect your child from falls and other injuries:

- Always stay within arm's reach of your child when using the changing table. Always use waist belt when child is on the changing table. Never leave child unattended.
- The changing table is designed for use only with this Graco Pack 'N Play. Do not attempt to use it with any other product. Before each use, make sure the changing table is properly secured to the Pack 'N Play by pushing down firmly in the middle of the changing table. The changing table should not fall.
- Do not use the changing table as a sleeping or play area.
- Weight limit for the changing table is 25 pounds (11 kg). Do not use the changing table as extra storage. Always remove the changing table when your child is in the Pack 'N Play.
- The Pack 'N Play changing table can be used on the floor without being attached to the Pack 'N Play. Never place the changing table on a piece of furniture, bed, counter or any raised surface from which the changing table or your child could fall.

Step 1.

Lay changing table flat on floor **with short side in front of you and belt facing up**. Gently slide one long tube into opening on long side exactly as shown.

Repeat on other long side.

Step 2.

Slide one short tube into opening on end as shown.

Be sure folding side of hinge faces pad as shown.

DO NOT insert other short tube at this time.

Step 3.

Turn up long tube so that its end points down.

Insert end of long tube into opening on end of short tube as shown.

DO NOT slide short tube up around the bend of long tube until you have finished next step.

Make sure fabric does not get caught in opening when inserting long tube into short tube.

Step 4.

Repeat step 3 on other end of short tube, then **slide** short tube ends up onto long tubes.

TO AVOID TEARING FABRIC, slide the short end up before proceeding with step 5.

Step 5.

Now repeat steps 2, 3 and 4 on how to install the short tube on the other end of the changing table.

If the short tubes have been inserted correctly, the changing table should be able to FOLD UP in the center as shown. If you cannot fold the tubes up in the center, review steps 2, 3, and 4.

Step 6.

Place pad in changing table with vinyl side up. Pull belt straps through holes in center of pad.

Step 7.

Insert VELCRO® straps into the four slots at the corners of changing table and attach to VELCRO® on underside of changing table. This will prevent pad from moving.

Step 8.

Place changing table on Pack 'N Play as shown. Make sure tubes are placed securely over the sides of the Pack 'N Play®.

Check that the changing table is properly supported by the Pack 'N Play® by pushing **firmly** down into center of changing table.

To Fold Changing Table

Step 1.

Pull up on waist belt straps to fold.

Step 2.

Ends of long tubes must point up when folded as shown.

Step 3.

To carry or store your changing table with your folded Pack 'N Play, see "To Cover Your Pack 'N Play" section in these instructions.

To Use Accessory Bag (on certain models)

Snap accessory bag onto end of Pack 'N Play with four snaps as shown.

To Fold Your Pack 'N Play®

Step 1.

Release the two VELCRO® straps under the Pack 'N Play, and remove the mattress.

Step 2.

IMPORTANT: Raise center halfway BEFORE unlocking rails.

Grasp center loop as shown and pull up approximately halfway to the top rails.

Step 3.

The top rail has a center piece with two tubes hidden under the fabric. The button on the bottom of the center piece releases the two tubes when it is pushed up.

To fold the top rail:

- Lift up slightly on the top rail.
- Push up on the button located under the symbol  to release the two tubes.
- Push down.

- **If top rails do not unlatch, lift the center of the floor higher.**
- **Both tubes must be released for the top rail to fold.**

Step 4.

Pull center up all the way.

Step 5.

Gather your unit together.
Do not force.

If unit will not fold, look for a partially latched top rail. Squeeze the latch button to release the rail.

Step 6.

Find the bottom corner belt loop (only one). This loop is for holding unit and mattress together while carrying.

Step 7.

Wrap the mattress around your unit. Fasten together the VELCRO® straps, attaching the bottom strap to the bottom corner belt loop.

To Cover Your Pack 'N Play®

Step 1.

Pull cover over your unit. Be sure the carrying handle attached to the Pack 'N Play mattress is exposed.

Certain models have a second handle on the carrying bag.

Step 2.

Zip together.

On changing table models, turn unit upside down so that feet point up. Pull the cover over your unit. Turn unit over.

Before pulling bag up, insert folded changing table into the side opposite the handle as shown. Pull bag up to cover end. Zip together.
