Commercial Quality

Built tough to stay that way. The No. 1 supplier of commercial coin-operated laundry equipment, Speed Queen continues to lead in customer satisfaction. Speed Queen homestyle washers and dryers are U.S. Department of Energy compliant to 2007 washer standards for energy and water savings. They also feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.

Quality Washer Components

- Long-lasting galvanized steel cabinet.
- Dependable Eversmooth transmission.
- Heavy-duty, 1/2 HP, two-speed motor.
- Single-belt drive simplicity.
- Corrosion-resistant polypropylene pump.
- Pump clips for service convenience.
- Unit is 100% front serviceable.
- Eight cycles; three temperatures.
- Adjustable water level control.
- Flex vane agitator with fabric softener dispenser.
- Bleach dispenser.

AM07-209

Automatic Balance System

- Residents will appreciate the Automatic Balance System (ABS) for smooth and quiet operation, even on wood floors. The ABS provides the industry's best out-of-balance handling, completing wash cycles without interruption.

Multi-Cycle and Temperature Controls

- Speed Queen offers you a user-friendly free-wheeling timer knob for start and cycle selections with energy saver designation.

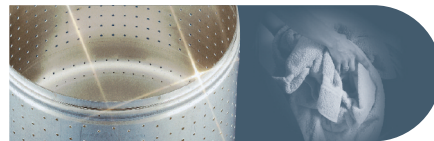

PolyTuff® Agitator

- High vanes and extra long 210° agitation stroke deliver superior washability for all load sizes.

Extra-Large Stainless Steel Washtub

- Our durable stainless steel washtub becomes smoother with each use so clothes are less likely to snag (Available on LWS17 and LWS44 only).

Attractive Control Panel

- Commercial homestyle topload washers have attractive styling to match electric or gas dryers.

Washer Specifications

	LWS16/LWS17, LWS44
Basket Volume - cu. ft. (liters)	3.3 (95)
