2U 26" Rackmount Case

In high-tech professional environments, rackmount cases are as critical a component as hot coffee. Now, Antec brings its reputation for quality and reliability to rackmount cases with the 2U26EPS600, the heavy-duty 2U Extended ATX 26" rackmount case. With an included ATX12V 4-pin & EPS12V 8-pin 600-watt IPC power supply, the 2U26EPS600 delivers reliable performance, while six drive bays plus three expansion slots ensure maximum flexibility. And with the 2U26EPS600's three 80mm, high-speed fans which feature double ball bearing designs, even the most sweltering systems can remain safe and cool. Give your office peace of mind with the dependable, rock-solid 2U26EPS600.
