media Tablet world and fulfilled your entertainment needs. It can support picture, video, music, E-book, games, online chat and other functions, moreover, various settings will fully show your individuality.

This manual contains important safety and operating information in order to prevent accidents, please read this manual thoroughly and keep it for future reference.

## **(2). Safety precautions**

- To use this Tablet safely, please read and follow the instructions in this manual carefully before use.
- Never use the Tablet while driving or when operating any vehicle, as this could cause an accident. It is also against the law in many areas. Take care when using the Tablet outdoors, especially when crossing the street.
- Do not listen to music at very high volumes using the earphones as this can permanently damage your hearing.
- Keep the Tablet clean and never store it next to a heat source or in dirty, humid or wet places. Keep it out of direct sunlight.
- Do not put the Tablet in high temperature places (over 40°C), especially not in a car with the windows closed in summer.
- Keep the Tablet away from strong magnetic fields.
- Please don't turn on the device in where the wireless equipment is forbidden or when the usage of the device will cause interference and danger.
- Press the Tablet's buttons gently. Pressing them or the screen too hard can damage the Tablet.

- Do not use the Tablet in an electronics-prohibited area, such as in an airplane.
- Do not use the Tablet in an extremely dry environment, as this can lead to static discharge, which can damage the Tablet.
- Do not subject the product to harsh impacts.
- Do not drop the appliance. This may result in damage to the product.
- Do not attempt to dismantle or repair this unit yourself, Repairs should only be performed by qualified personnel only.
- We will not be responsible for any memory loss caused by product damage, repairs or other reasons.
- Disconnect the appliance from the power source when cleaning.
- In order to prevent program failure, never disconnect the Tablet suddenly from a PC during downloading, uploading or formatting to prevent program failure.
- Use a slightly damp, lint-free cloth to clean this appliance. Do not dismantle the Tablet or use alcohol, thinner or benzene to clean the surface of the Tablet .

### **(3).About device**

1. Front Camera
