8. Sending a new order

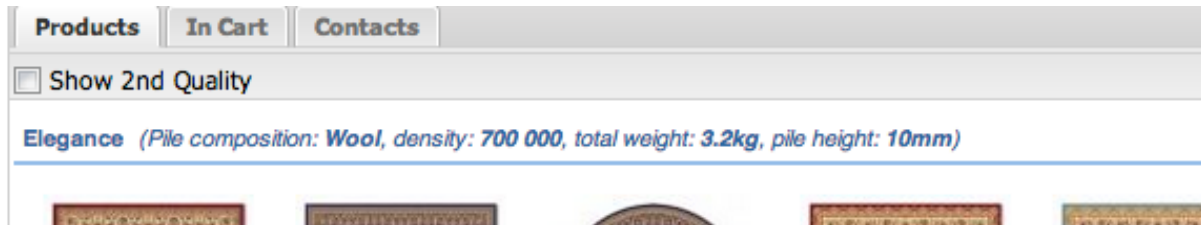

1. Navigation

Use the left side navigation panel to navigate through products. Click on folders to expand and collapse them, and click product categories (leaves) to view the products from the given category.

2. Product technical data

Product information is displayed on the title bar (blue) shown at the top of the central display. The title bar appears at the top of every new product quality. On the bar you can find information like: pile composition, pile height, weight etc. The technical characteristics are set up by the shop owner and may contain different information.

3. Product details and inventory

Choose the design you are interested in by clicking the image in the central panel, the product details will appear in the right panel with the available sizes and available inventory in each size. To enlarge the image, simply click on the image of the carpet.

Top Quality			
Size (cm)	Qty	In Cart	
160x230	48	<input type="text" value="0"/>	Select
200x300	64	<input type="text" value="0"/>	Select
240x340	17	<input type="text" value="0"/>	Select

4. Filters

In order to search through the full product database use the filter menu at the top of the page. Enter the information in the fields and press the "Go" button. To reset the filters to default values use the "Reset" button. It is not necessary to enter information in all fields, however the more products will match your search criteria, the longer it will take to load the results.

5. 2nd Quality products

If the owner of the shop holds 2nd quality products in stock, you will see a checkbox titled "Show 2nd Quality". Check this box to show the 2nd quality inventory. After that you will be able to see the 2nd quality inventory inside the product details section (right panel) in a red table.

Design / Colour: 6270 / 50633

Type: Rectangle (1)

Top Quality			
Size (cm)	Qty	In Cart	
120x170	10	<input type="text" value="0"/>	<input type="button" value="Select"/>
160x230	10	<input type="text" value="0"/>	<input type="button" value="Select"/>
200x300	59	<input type="text" value="0"/>	<input type="button" value="Select"/>
240x340	25	<input type="text" value="0"/>	<input type="button" value="Select"/>

2 nd Quality			
Size (cm)	Qty	In Cart	
120x170	1	<input type="text" value="0"/>	<input type="button" value="Select"/>
160x230	4	<input type="text" value="0"/>	<input type="button" value="Select"/>

6. Adding and removing products from cart

To add the desired product to your cart, enter the required amount in the box next to the inventory and press "Select". You will notice the quantity increased in the "In cart" tab. The quantity entered in the box cannot be negative or exceed the available inventory.

Top Quality			
Size (cm)	Qty	In Cart	
120x170	10	<input type="text" value="2"/>	Select
160x230	10	<input type="text" value="0"/>	Select

Products	In Cart (1)	Contacts
<input checked="" type="checkbox"/> Show 2nd Quality		

Once the product is entered in the cart (ex. Quantity 2) every time you will view the product details you will see this quantity in the box next to the inventory, until you remove the item from the cart.

To remove an item from cart, click on the "In Cart" Tab, you will see a grid with all the products you selected. Click on a product inside the grid and click on the "Delete" button (). You will be asked to confirm the removal of the item, press OK and the item will disappear from your cart.

	Article	Design	Type	Colour	Size (cm)	Quantity	Quality
1	Elegance	6270	Rectangle (1)	50633	120x170	2	1

7. Viewing and printing order summary

To see the order summary, click on the "Total sq.m" button located at the bottom left corner in the "In cart" tab. A window will appear showing the order summary in square meters by article and quality.

Total sq.m: 12.00

Order Summary ✕

Nr.	Article	Sq.m 1st Quality	Sq.m 2nd Quality
1	Elegance	12.00	0.00
Total per quality		12.00	0.00
Total			12.00

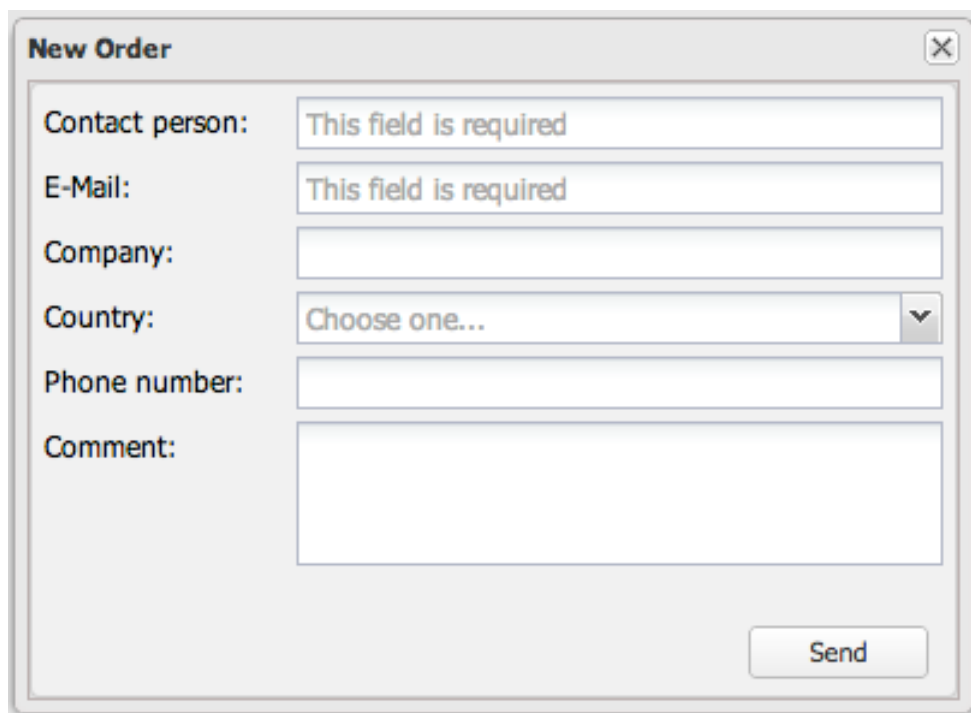

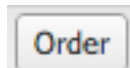

Click OK to close the window.

In order to print the contents of the cart, click the "Print" button located in the top bar of the "In Cart" tab. The print menu will show up.

8. Sending a new order

When finished selecting products, press on the Order button. Complete the information in the new order form and press the "Send" button. Once the order is saved an alert will appear stating that the order was transmitted successfully.

A dialog box titled "New Order" with a close button (X) in the top right corner. It contains several input fields: "Contact person:" with a text box containing "This field is required"; "E-Mail:" with a text box containing "This field is required"; "Company:" with an empty text box; "Country:" with a dropdown menu showing "Choose one..."; "Phone number:" with an empty text box; and "Comment:" with a large empty text area. A "Send" button is located at the bottom right of the form.
