Applies to all devices:

- Overview of cell phones and Tablets
- Presentation of all models
- Backup and / or restore of device
- Find the root cause of problems
- Place your device in DFU mode
- Correct the problem of network after the repair

From 10:00 am to 12:00 pm or 6: 00 pm to 7:45 pm
IPhones:

- Introduction
- Disassembling and assembling of iPhones
- Tools Required
- Parts Needed
- Learn the differences that this model offers in comparison with other models.
- Discover similarities
- Parts replacement

From 1:00 pm to 3:00 pm or 8:00 pm to 10:00 pm
IPads:

- Introduction
- Disassembling and assembling of iPads
- Tools Required
- Parts Needed
- Discover similarities
- Parts replacement

DAY 2:

From 8:00 am to 12:00 pm or 4:00 pm to 7:45 pm

IPODS:

- Introduction
- Disassembling and assembling of iPods
- Tools Required
- Parts Needed
- Discover similarities
- Parts replacement

From 1:00 am to 3:00 pm or 8:00 pm to 10:15 pm
SAMSUNG and LG:

- Introduction
- Disassembling and assembling of Samsung and LG
- Tools Required
- Parts Needed
- Learn the differences that this model offers in comparison with other models.
- Discover similarities
- Parts replacement
