Apple iPad MUN Wireless Configuration

Requirements:

- An up to date Apple iPad
- A Grenfell email account

Configuration

1. On the default home screen, tap the "Settings" icon

2. Tap "Wi-Fi" at the top, ensure the slider is in the "On" position, and tap "Other..." from the "Choose a Network" section.

3. In the window that pops up, enter the Network Name (stu for students, fac for faculty/staff). Then tap "Security"

iPad	9:13 AM 82 5

ASDFGHJKL Join					
	V B N M ! ? &				
.?123	.?123				

5. Type in your username and password in the fields provided and tap the "join" key

6. You should now see the network in the list and a spinning icon to show its connecting. You can tap the network name to get further details, and confirm you are getting a proper IP.
