# EZIO READERS
User Guide

How to use the EZIO card readers

If at any time you enter your card PIN incorrectly three times into the card reader, **your PIN will lock and you won't be able to use your card.**

Authentication

To generate a Code:

1. Insert your card into the card reader

2. Press the **Identify** button on the card reader

3. Follow the prompts on the card reader:

   - Enter your card PIN for the card into the card reader. Now press the ENTER button on the card reader.
   - An eight-digit CODE will appear on the card reader (eg 1234 5678)

```
ENTER PIN:
***
```

```
PRESS ENTER?
****
