The Department of Education, Training and Employment (DETE) is collecting this information in order to create your myApprenticeship secure and unique account. The contact details you have provided may be used to update the contact details we currently hold in our departmental databases and to contact you regarding your myApprenticeship account. This information will only be accessed by authorised employees and contractors within DETE. Your information will not be given to any other person or agency unless you have given us permission or we are required to by law.

### Why do I have to change my password when logging in for the first time?

The password that is initially issued to you is a temporary password. To ensure the highest security for your information in the portal, you must change the temporary password when logging in for the first time. Additionally, it is recommended that you periodically change your password.

### Why do I have to confirm my email address when logging in for the first time?

The department requires an email address be recorded in the portal to ensure the services can be offered to you effectively. An email address for you may have been provided to us when you registered as an apprentice/trainee; however it may have changed or may not be the appropriate email address for the portal.

### What will the department do with my email address?

Your email address will only be used to:

- Enable password resets.
- Notify you when your personal details are updated in the portal, or when we receive requests from you.
- Notify you that electronic correspondence is available in the portal.
- Notify you of changes to the Terms of Use.

The department will not spam your email and will not sell, rent, lease or share your email with anyone else.

### Can I change my username?

Your username is set by the department and cannot be changed.

### Can I stop getting emails?

- You can't unsubscribe from portal emails and still use the portal. The department relies on email to ensure the portal services can be offered to you effectively.
- To stop receiving emails in relation to the portal, you need to [cancel your portal user account](#). Upon cancellation of your user account, the department will send all correspondence to your postal address.

### How do I cancel my portal user account?

- To cancel your portal user account, contact us at [myapprenticeship@dete.qld.gov.au](mailto:myapprenticeship@dete.qld.gov.au), or telephone 1800 210 210 between 8:30am - 4:45pm, Monday to Friday.
- If you decide in future to once again use the portal, your previous information and correspondence will still be available.

### How do I view correspondence?

#### NOTE:

- More than one training contract may be displayed in your correspondence if you've been registered for more than one apprenticeship/traineeship.

- You may see some old correspondence related to your training contract/s.
- Some types of correspondence are not made available in the portal – for example the completion certificate. Some correspondence will still be sent to your postal address.

### Why do I have more than one portal account?

Parents using the myApprenticeship portal will have more than one user account if they need to access the portal for more than one dependent. At present, portal limitations don't facilitate the same login in these circumstances.

### How is parent access managed?

If you are the parent of an apprentice/trainee, to use the portal:

- You must be the parent who is recorded against the training contract of a Queensland-registered apprentice/trainee who is less than 18 years of age; or
- You must have used the portal when your dependent was less than 18 years of age, and your dependent must have nominated your access to continue. The apprentice/trainee nominates your access by ticking a box inside the portal, after they have logged in.

### How do I view my competencies?

**SCHOOL-BASED apprentices/trainees:** Your Travel and Accommodation application forms are available from your school or the [Education Queensland](http://Education Queensland) website. You cannot lodge a claim through this site.

The Department of Education, Training and Employment provides travel and accommodation subsidies to eligible apprentices and trainees to assist in meeting the additional costs associated with attending college. The travel and accommodation subsidy is available to apprentices and trainees who:

- Attend the closest college campus that delivers the course of instruction for their particular training program.
- Need to travel 50 kilometres or more one way from their usual place of residence to attend their **closest** college campus.
- Are required to live away from their usual place of residence while they attend college.

Once you submit your claim the department will verify your attendance details with your training organisation and calculate your claim entitlements. Most claims will be paid within 28 days.

**Please ensure you have read and understood the Conditions of Travel and Accommodation Subsidies before submitting your claim form.**

I have read, understood and agree to the [Conditions of Travel and Accommodation Subsidy \[PDF 88kb\]](#) and the [Privacy Note \[PDF 9kb\]](#) (Please note: You cannot submit your claim unless you agree to the Conditions).
