3U 22" Rackmount Case

In high-tech professional environments, rackmount cases are as critical a component as hot coffee. Now, Antec brings its reputation for quality and reliability to rackmount cases with the 3U22EPS600, the heavy-duty 3U 22" rackmount case. With an included ATX12V 4-pin & EPS12V 8-pin 600-watt IPC power supply, the 3U22EPS600 delivers reliable performance, while nine drive bays plus seven expansion slots ensure maximum flexibility. And with the 3U22EPS600's three 92mm, high-speed 3500 RPM fans with double ball bearing designs, even the most sweltering systems can remain safe and cool. Give your office peace of mind with the dependable, rock-solid 3U22EPS600.
