

Troubleshooting logging into E-Bata

I have not received a password for E-Bata

- Have you checked your username (on typing/spelling errors)? Your username is the e-mailadres you filled in during your signup. It is important to fill in the complete e-mailadres (for example 'nijmegen@batavierenrace.nl')
- Is 'Caps Lock' turned off?
- Maybe your spam-filter filtered our e-mail. The e-mail is send by "E-Bata <nijmegen@batavierenrace.nl>".

I did receive my password, but I'm still not able to login
