

Project report

- Each group prepares a project report
 - looks like an **extended abstract**
 - IEEE double-column format
 - 2-3 pages including a list of references
 - written in English
- Template given in the course pages (*MyCourses*)
 - You can either use Word or LaTeX. Both templates available.
 - Please follow the 3-section structure given in the template.
 - The content and structure of Section II (DESCRIPTION OF THE PROJECT) depends on the groups' topic and initiative.
- Use *MyCourses* to submit the project report
- **DL: 9.11.2015**
