

The Aluratek FileMate line of SSD products provides an ideal solution to business professionals, travelers, or anyone needing convenient data storage at blazing fast speeds. Designed using FileMate's quality flash memory, these solid state drives give users an unprecedented level of reliability and portability that traditional disk-based media simply can't match. With solid state technology, these products have no fragile moving parts to break and are small enough to take anywhere.

2.5" SATA SSD w/ Mini USB 2.0

2.5" SATA SSD

External 2.5" SSD w/ eSATA & USB 2.0

ExpressCard Ultra SSD w/ Mini USB 2.0

Model #	AWSSDM64F / AWSSDM128F	AWSSDM256F	AWSSDC64F	AWSSDE24F / AWSSDE48F
Capacity	64GB, 128GB	256GB	64GB	24GB, 48GB
Dimension	100mm x 69.85mm x 9.5mm	100mm x 69.85mm x 9.5mm	86mm x 55mm x 8mm	75mm x 34mm x 5mm
Interface	SATA II	SATA II	Ultra Fast eSATA	ExpressCard 34
Speed	Read 170MB/s / Write 95MB/s	Read 250MB/s / Write 190MB/s	Read 90MB/s / Write 50MB/s	Read 115MB/s / Write 65MB/s
Connector	Mini-B USB 2.0 connector	None	USB connector (flip-out)	Mini-B USB 2.0 connector
Features	<ul style="list-style-type: none"> No moving parts Shock and vibration resistant Low access latency Fast sequential and random read speed Low power consumption 	<ul style="list-style-type: none"> Faster data transfer rates Faster internal access time Noiseless operation Lower power consumption Better vibration and shock resistance Built-in ECC error correction Wear leveling algorithm for maximum device lifetime 	<ul style="list-style-type: none"> Thin and compact credit card size No moving parts Shock and vibration resistant Low access latency Fast sequential and random read speed Low power consumption 	<ul style="list-style-type: none"> Native PCI-E ExpressCard connection No moving parts Shock and vibration resistant Low access latency Fast sequential and random read speed Low power consumption
