

DiskMaster HDE 103

2.5" SATA Storage Device

Choose from your favorite color – black, crystal red or blue steel – and access your files wherever you go. The DiskMaster HDE 103 allows to use any 2.5" SATA drive to back up your files with the push of a button and the full speed of a USB 2.0 connection. The DiskMaster HDE103 combines the flexibility to connect it to any computer, without the need of drivers or an external power supply, with the protection that its stylish padded wallet case provides, so you can always take your most personal files with you.
