Ultra ATA Cable Kit
294162-B21

Maximize the capacity and performance of Compaq Deskpro PCs with Compaq hard drive options. These high-capacity drives offer workstation-class performance. The combination of SMART III self-monitoring technology, Compaq Insight software, and the Compaq Pre-Failure Warranty provides an insurance policy against catastrophic data loss.

¹ For Hard Drives, GB = Billion Bytes.

² For optimum performance using multiple Ultra ATA hard drives, add the Ultra ATA Cable Kit (294162-B21).

³ All Compaq drives are protected by a Pre-Failure Warranty, allowing hard drives to be replaced before failure as indicated by Compaq Insight Manager. In addition, all drives are covered by a one-year limited warranty, or the remaining warranty of the Compaq CPU in which it is installed (up to three years).

⁴ DeskPro 2000, 4000 and 6000 are limited to 8 GB.
