PLUS

- Wireless Technology RF 27 MHz
- 105 + 18 functional keys keyboard
- Single connection USB for keyboard and Mouse
- Auto installing without driver
- Windows® 98/ME/2000/XP compatibility
- Software equipped with batteries state indicator

WHY TO BUY IT

Smart Desktop is the ideal choice for everyone searching a wireless solution that is easy and comfortable.

An absolute refined design on duty for a highly developed technology.

The functional keys allow a fast access to Internet, to the calculator and to MediaPlayer™.

Moreover there are also the direct functions Cut, Copy and Paste. Special keys allow to control CD-Rom player and the volume in order to have an easy listening of the audio supports.

The Software which is included gives visual indications of the Caps Lock Num Lock and Scroll Lock and of the signal level received, for the batteries state indication.
