

Who says a range hood has to be metal, or angular for that matter. Perhaps it should simply complement the soft, flowing lines that define your home.

IS241/BER02IS

Distinctive circular, hand-blown glass visor

Three beautiful metal finishes, and two durable powder coated colors

Quiet, efficient internal blower with HVI certified performance (see p. 52)

Stainless steel/aluminum mesh filter is dishwasher safe

Brilliant halogen lighting system

Electronic controls include a 10 minute time-delay shut-off feature and reminder light for filter maintenance

Heat Sentry™ is a smart feature that detects excessive heat and adjusts speed to high automatically

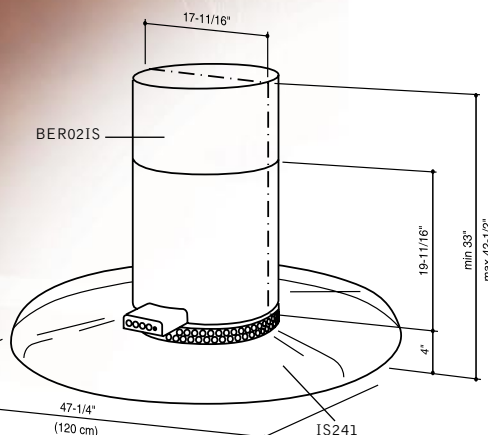

Telescopic flue for 8' to 9' ceilings – Custom extensions available (see p. 50)

Two 20-watt halogen lamps accent the circular motif on all elements of the hood design.

Elegant electronic control provides four-speed push-button convenience.
