BUSINESS TECHNOLOGY ASSOCIATION

2003, 2004, 2006 & 2007 Channel's Choice Award – Top Secondary Product Line Manufacturer

Muratec products and services are...

- Sold and supported exclusively through the independent office equipment dealer channel.
- Manufactured according to the rigid ISO9002 international standard.
- Designed for responsible energy use and feature the Environmental Protection Agency's Energy Star label. Muratec also offers a toner recycling program to promote environmental friendliness.
- Branded by some of the industries top manufacturers and included in their product lines.
- Constantly recognized and listed on state contacts as a vendor of choice for office equipment.

Muratec products feature innovative technology such as...

- The *Network Gateway Platform (NGP)* which allows for seamless network connectivity and innovative digital document delivery solutions.
- *OfficeBridge* which increases the functionality of Muratec MFP's by offering seamless network integration and award-winning workflow management.
- *QuadAccess* which allows for the simultaneous use of up to four machine functions.
- *RedBand* technology which effectively compresses packet information sent from a PC to a Muratec printer over the network, greatly reducing congestion and minimizing bandwidth usage.
- *ImageLSI* smoothes images scanned on Muratec MFP's to increase clarity and quality.
- *FaxRISC* processors quickly compress fax data to reduce transmission times.
