Dishwashers

Hotpoint dishwashers offer new features for today's customers

Pots & Pans cycle
Removes dried-on and baked-on (but not burned-on) food from pots, pans and dishes.

Crystal Clear™ rinse aid dispenser
Container automatically releases a small amount of rinse agent, which speeds drying and lessens water spotting and streaking.

Wall of Water
Completely covers any item in dishwasher.

Deluxe lower rack
The rack has curved tines to accommodate stoneware and large plates or broiler pans.

Not all features available on all models.

Specifications and electrical rating

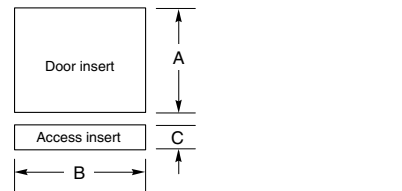

120 Volts AC, 60 Hertz, 8.6 Amps total connected load 500 Watt Calrod® heater. For use on adequately wired 120 volt, 15 amp circuit having two-wire service with a separate ground wire. This appliance must be grounded for safe operation.

Dishwasher must not be installed more than 10 feet from sink for proper drainage. All plumbing and electrical work must be in accordance with local codes. Dishwasher includes drain hose and leveling legs.

Note: Before installing, consult installation instructions packed with product for current dimensional data.

Before purchasing any appliance on which the Federal Trade Commission requires an energy label, read important energy cost and efficiency information available from your retailer.

Hotpoint has a policy of continuous improvement on its products and reserves the right to change materials and specifications without notice.

Models/Kit	A	B	C	Panel Thickness
GPF325Kit	18-7/8"	23-9/16"	3-11/16"	1/4"
GPF375	18-15/16"	23-5/8"	4-1/4" to 3-3/4"***	3/4"

*Note: Bottom of panel must be notched 1-1/2" x 1/2" to clear access panel.

**Adjustment required to match adjacent cabinet fronts due to leveling leg adjustment, 4" nominal.

Warranty information:

Full one-year warranty† Guarantees parts and labor to repair any part of dishwasher that fails because of a manufacturing defect within one year from date of purchase.

Full ten-year warranty† Guarantees that the polypropylene tub and door liner won't leak from cracking, peeling or rusting for ten years after date of purchase, or GE will replace or repair the liner without charge for parts and labor.

†See written warranty for details.

Buying Hotpoint is a good decision because of its wash performance, quiet operation and dependability.

New Power Wash II System

Three-level wash action with powerful jet action for effective food soil removal and great wash performance.

Toe kick & access panel insulation

Fiberglass insulation in toe kick and access panel minimizes operating noise.

Durable tub and door liner

Guaranteed against leakage from cracking, peeling, chipping or rusting for ten years.*
