Invacare® Pronto™ M6™ Power Wheelchair

# Invacare® Pronto™ M6 Power Wheelchair

Here's the independence, comfort and peace of mind you're looking for: Introducing the Invacare® Pronto™ M6™ power wheelchair.

The compact size and stable, full-time, 6-wheel suspension of the Pronto M6 allows you to move around freely and easily in your home. Its true mid-wheel drive system and smooth hand control make the Pronto M6 easier and more natural to drive for first-time users.

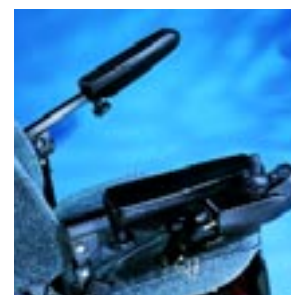

Maneuverability, reliability, comfort and solid good looks – the Invacare Pronto M6 has it all. And it all adds up to the independence and respectability you're looking for.

## FEATURES

- True mid-wheel drive system and compact size for tightest overall turning radius in its class make it ideal for small homes with narrow hallways and limited space
- Full-time, 6-wheel suspension for outstanding traction/solid feel eliminates the rocking instability of most mid-wheel drive wheelchairs
- Powerful two-motor design and flat-free tires for performance you can depend on
- Invacare's industry-leading electronics; hand control is easy to learn and gives you full control of your wheelchair
- Reinforced carbon steel frame for long-lasting durability
- Van-style padded vinyl seat and numerous seating adjustments to ensure a perfect fit for your all-day comfort
- Adjustable armrests and footplate flip up to make it easier for you to get in and out of wheelchair
- Hand control conveniently retracts out of the way and allows you to drive right up to tables
- On-board charger and maintenance-free batteries for simple overnight charging
- Meets all RESNA standards for product performance

On-board battery charger means easy charging.

Retractable hand control enables you to get closer to tables, while armrests easily adjust for comfort and ease.

Six wheels on the ground for easy and stable driving over most thresholds.
