

LRP S10 Blast BX 2 Brushless RTR 2.4GHz - 1/10 4WD Electric Buggy

High speed and pure adrenaline!

Art. no.: 120303

The new version of the 4WD offroad buggy has been optimised from the smallest screw to the ultimate power drive train. Get maximum power, driving fun and stability! The extremely powerful, sensor controlled LRP Vector K7 4300kv brushless motor combined with the Spin Pro RTR speed control turn the S10 Blast BX 2 BL into a real speed monster.

But this model doesn't stand out only due to its drive train. As absolute top feature, the complete model is splashproof now. Therefore, speed control and servo withstand the elements and also the receiver is placed in a splashproof box. To get best possible protection, the drive train is completely encapsulated. In addition, the buggy features a new look body shell. Its "cab- forward" design enhances the grip of the front axle. The new S10 Blast BX 2 Brushless is faster, better and more robust than ever before! Be amazed of its blistering top speed!

The new dimension for offroad fans!

Features

- ▶ 1/10 4WD Brushless Buggy
- ▶ Completely built and ready- to- run
- ▶ Splashproof LRP Spin Pro RTR Brushless speed control
- ▶ Next generation LRP Vector K7 4300kv Brushless power
- ▶ Splashproof LRP R-7103WP servo
- ▶ Splashproof receiver box
- ▶ LRP 2.4GHz FHSS A2- STX Pro radio system
- ▶ Completely sealed drive train protects the gears against stones, dirt and dust
- ▶ Completely built with ball bearings
- ▶ CVD driveshafts front for constant power transmission and minimized losses
- ▶ 4 "Big Bore" oil filled shocks for perfect roadability on every surface
- ▶ Swaybars front and rear for improved cornering
- ▶ Left/ right turnbuckles in front and rear
- ▶ Fully adjustable, torque controlling slipper for improved traction
- ▶ Steel differentials front and rear for tough offroad action
- ▶ Fully adjustable offroad race suspension for perfect handling performance
- ▶ Low maintenance and efficient universal drivetrain
- ▶ Reinforced front suspension
- ▶ Blue anodized aluminium motor mount
- ▶ Blue anodized aluminium suspension arm holder front and rear
- ▶ Competition inspired, aggressive "cab- forward" body shell in airbrush design
- ▶ Race- proven VTEC high- grip tyres

LRP S10 Blast BX 2 Brushless RTR 2.4GHz - 1/10 4WD Electric Buggy

- ▶ Battery holder suitable for LiPo and NiMH batteries
- ▶ Easy to understand user manual including beginner and tuning guide
