

ELECTRIC DRYERS

DLEV833 24 inch Compact Electric Venting Dryer

Performance

- 4.10 cu.ft. Capacity with NeveRust™ Stainless Steel Drum
- Sensor Dry System for Intelligent Fabric Care and Energy Efficiency
- 10 Drying Programs
- 6 Options
- Precise Temperature Control with Variable Heat Source
- Wrinkle Care Option
- Delicate Cycle

Style and Design

- Intelligent Electronic Controls with Jog Dial
- Stackable with Matching Washer (WM1333H)

Technology Benefits

- LoDecibel™ Quiet Operation

ELECTRIC DRYERS

LoDecibel™ Quiet System

LG dryers are some of the quietest in the same category. The inverter motor reduces unnecessary noises.

Electronic Control Panel

Intuitive controls allow you to "set it and go".

Sensor Dry System

Measures moisture during the cycle, and automatically adjusts the drying time and temperature for optimal fabric care.

Wrinkle Care

The drum is occasionally tumbled clockwise and counter-clockwise during each cycle to reduce tangling. When the Wrinkle Care option is selected, dry clothes are periodically tumbled without heat for 2 hours to reduce bunching and wrinkling.

Side by Side or Stacked Configurations

*Shown with matching washer.

DLEV833

TYPE	
Design Look	Front Control
Intelligent Electronic Controls with Jog Dial	•
Capacity	4.10 cu.ft.
DRY PROGRAMS	
10 Programs	Cotton/Linen: Very Dry, Normal, Less Dry, Damp Dry Mixed Fabrics: Very Dry, Normal, Damp Dry Manual Dry: Warm Dry, Air Dry Special Fabrics: Delicate
