Intelligent Stick™

1. Introduction to Intelligent Stick™ Pro 170

The Intelligent Stick Pro 170 is a PQI patented technology. It combines characteristics of a flash card and a USB flash drive. It does not need a card reader to read from or write to thus making it the perfect storage medium for all types of digital devices. PQI's Intelligent Stick consumes minimum power and its minute dimensions makes it easy to store. For added value, it also comes with password security, partitioning software and USB boot applications.

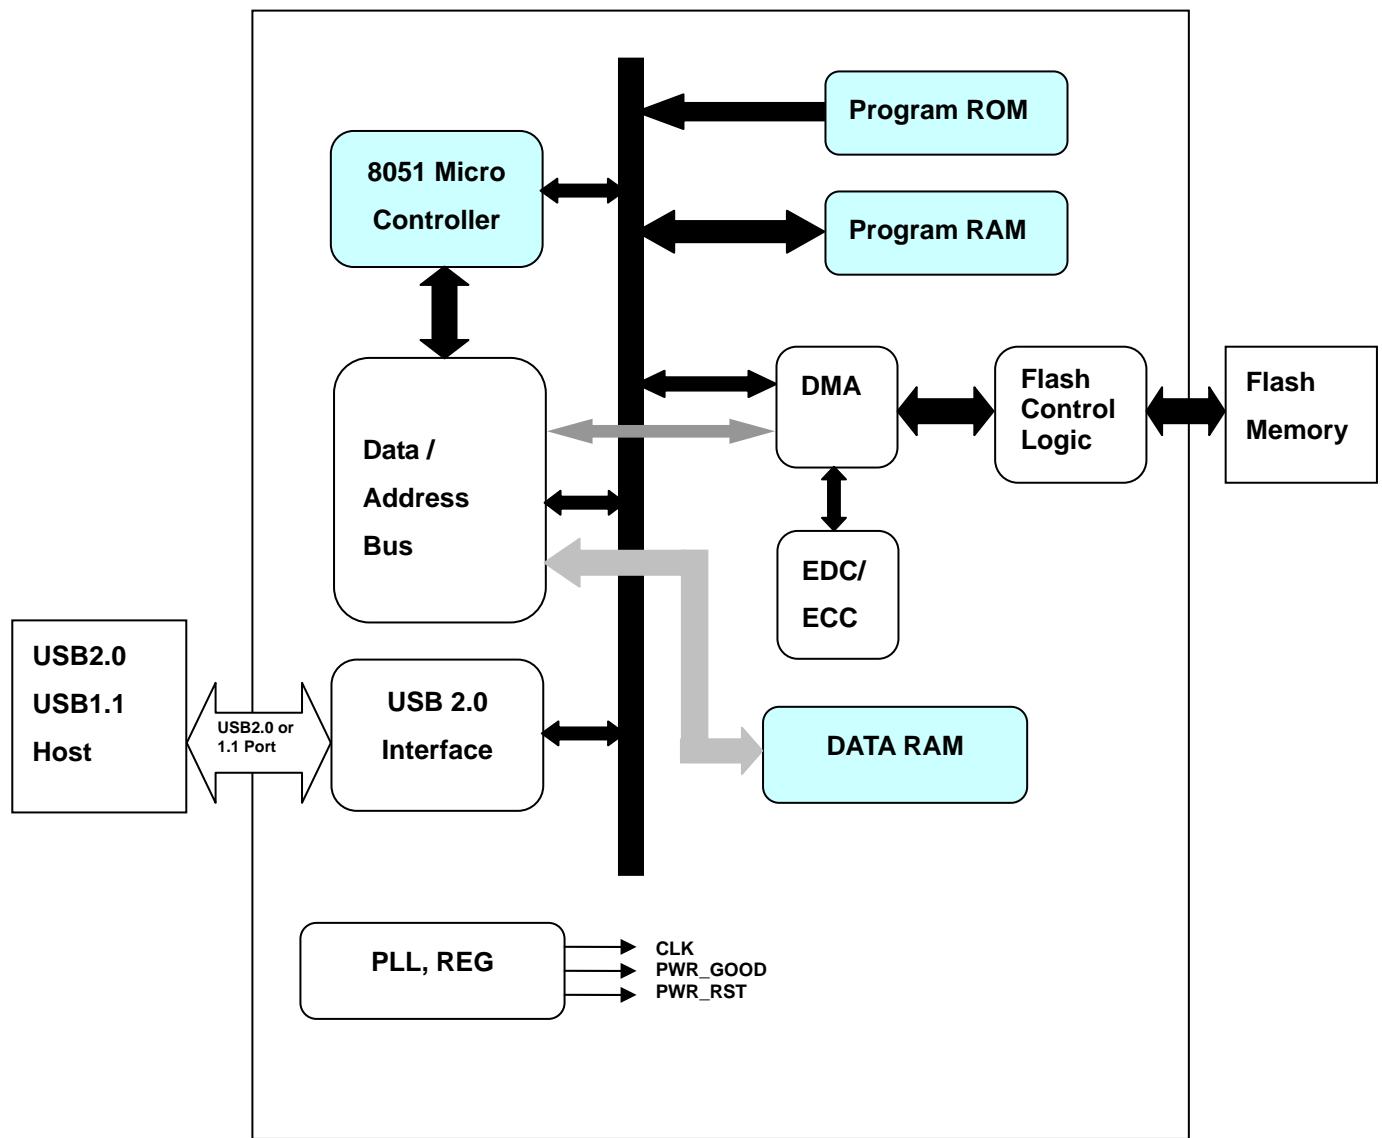

2. Main Features Overview

1. Ultra transfer rate: Read up to 25MB/sec
2. PQI's patented Intelligent Stick™ interface USB 2.0 compatible
3. Multimedia or Data Storage
4. Hot swappable, USB Plug & Play compatible
5. Low power consumption
6. Its small size marking it easy to carry and store
7. Bundled software downloadable from PQI website : security and partition software
8. Carrying caddy for easy storage in your wallet
