

TEAC 2.5" Hard Disk Drive

Portable High-Speed USB 2.0

Portable 2.5" Hard Disk Drive High-Speed USB 2.0

40GB, 60GB, 80GB and 100GB Preformatted

- High-Speed USB 2.0 backward compatible with USB 1.1
- Compatible with both Windows & Mac
- Ideal solution for digital photos, MP3 and data files
- Bus-powered for true portability
- Add unlimited storage with multiple TEAC external hard drives

TEAC 2.5" USB 2.0 External Hard Disk Drives are preformatted and ready to go (Mac users need to reformat). You can add reliable, high performance storage instantly to your PC or Mac. Multiple drives can be added to deliver unlimited capacity.

Featuring USB 2.0/1.1 compatibility and a fast access time, these drives deliver the fastest performance for data storage, backup or transporting large files between systems. Simply plug into the two USB ports on your PC or USB PCI adapter card and within seconds, your valuable data is securely transferred.

The sleek and ruggedized metal case design maximizes heat dissipation and keeps the hard disk drive running much cooler for optimum performance and years of dependable use.

Available in 40GB, 60GB, 80GB and 100GB capacity, these drives are ready to use right out of the box. The retail kit includes the drive, dual USB 2.0/1.1 interface cable and installation guide.
