

A Taste of the Orient

JetFlash[®] 168

High Speed USB Flash Drive

Inspired by ancient oriental culture, the JetFlash 168 represents a delicate balance of cutting-edge technology and exquisite traditional beauty. Its elegant floral artwork contains powerful Chinese symbolism for getting in touch with your inner self: Orchid (virtue), Bamboo (strength), Chrysanthemum (longevity), Plum (vitality), and Lotus (purity).

The JetFlash 168 is part of Transcend's High Speed line of JetFlash drives that offer incredibly fast transfer rates and support for Windows Vista™ ReadyBoost technology which lets you use your flash drive as extra memory to speed up your computer. The elegant 168 also features Transcend's renowned Lifetime Warranty and the incredibly useful JetFlash®elite software tools.

PC-Lock

Protect your computer with confidence

Use your JetFlash as a key to lock your desktop or notebook computer and prevent others from accessing your data while you are away. Simply unplug the JetFlash to lock, and plug it back in to unlock.

Favorites

Browse your favorite websites wherever you go

The Favorites function saves a copy of all your Internet Explorer Favorites on your JetFlash, allowing you to plug your JetFlash into any compatible computer and browse your websites just like you would at home.

Secret-Zip

Powerful security with encrypted file-compression

Compress your saved files to maximize memory storage space and password-protect your data with powerful 256-bit AES Encryption. With Secret-Zip, you can store files securely while saving space at the same time.

DataBackup

Backup, restore and synchronize your mobile data

Automatically backup, restore, and synchronize your important data. Once a backup is created on your JetFlash, DataBackup allows you to instantly update the backup with any modifications you might make in the future with a single mouse click.

AutoLogin

Convenient one-click automatic website log in

Instantly log in to your online website accounts with just a single mouse click. AutoLogin keeps a secure database of all your online usernames and passwords on your JetFlash, so you'll never worry about losing your password again.

E-Mail

Take your E-mail with you on the road

JetFlash elite allows you to store your E-mail for easy access when traveling. Send, receive, and save email safely on your JetFlash using any compatible computer – without leaving any trace of your correspondence for others to find.

My JetFlash

A shortcut to all your JetFlash data

Just one easy click opens your JetFlash folder, so you can manage your files quickly and easily.

- ★ JetFlash elite software only works with Windows[®] Me/2000/XP/Vista™
- ★ To use PC-Lock and AutoLogin you must log in to the computer you are using with Administrator rights.
