

**Fascination continued.
Accessories for the Passat CC.**

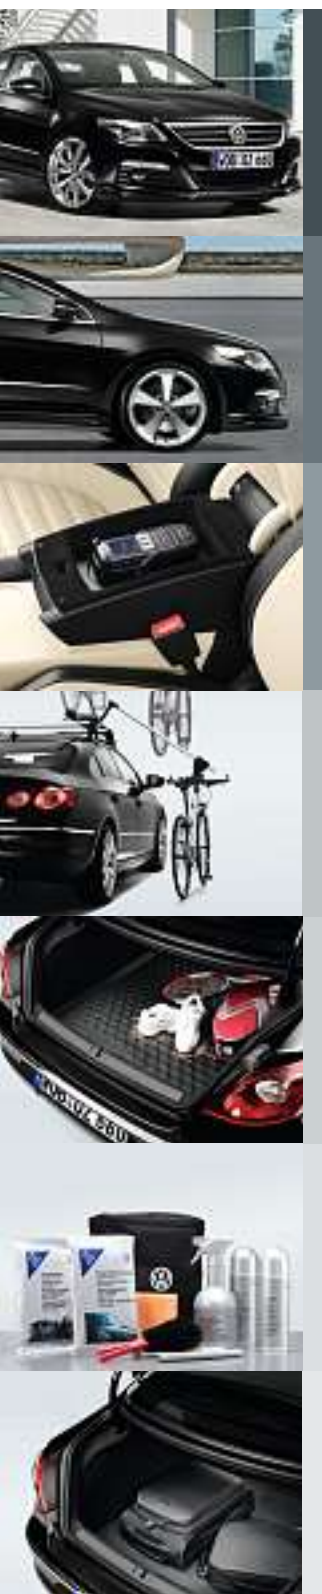

Movement fascinates. In fact, there are few subjects that excite people more. That's because movement is synonymous with freedom. At Volkswagen we associate our Volkswagen Accessories with supreme quality, functionality, comfort, and much more besides – because we believe that one point of view is not enough to appreciate the thousand aspects of your Volkswagen.

Volkswagen Genuine Accessories — Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Furthermore, our product philosophy is all about innovative technologies and top-level design – down to the finest detail. After all, Volkswagen Genuine Accessories are developed, tested and approved alongside each vehicle. And we want you to feel at home in your Volkswagen at all times.

Experience our broad range of seven product families for more individual mobility, driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

DVD Voyager 4 multimedia kit

The DVD Voyager 4 multimedia kit makes car journeys an especially comfortable experience for your back-seat passengers. Makes long drives child's play, especially if you are carrying young ones. The tablet DVD player integrated into the 7" TFT display plays DVDs and CDs in all common formats, and MP3s. The system is EU crash-tested, and the player's rounded corners minimise the risk of injury in the event of an accident. A safety device in the player's mounting system prevents the unit from falling out accidentally. Quick and easy to fit to and remove from the headrests. The player has an attractive, slim design, is light and portable, and so can be used in different vehicles. Can be ordered as a Basic or Comfort kit. You will find more detailed information in the enclosed price list.

Item no. 000 063 500 ES

Receptivity

Whether your vehicle came fitted with a mobile phone kit or not, you can still choose the system that best suits your needs.

For vehicles factory-fitted with telephone kits

Volkswagen Genuine mobile adapter set

If your vehicle came factory-fitted with a telephone kit, then the mobile adapter set with active mounting will be its perfect companion. Its special feature: it includes two additional buttons that connect you directly to Volkswagen Service and Breakdown. You will find further information in the enclosed price list and at www.volkswagen-zubehoer.de.

Item no. 3C0 051 435 X¹

Volkswagen Genuine Bluetooth pairing adapter

The Bluetooth pairing adapter enables you to connect a Bluetooth mobile phone to a factory-fitted telephone kit. The adapter inserts into the telephone kit's mounting, just like a mobile adapter set. The pairing adapter connects using your mobile phone's Bluetooth hands free profile. Following a one-off pairing process between the mobile phone and the telephone kit, the mobile phone can remain in your bag or pocket while driving.

Item no. 3C0 051 435 PA

X¹ = mobile-specific index. Since the range of mobile adapter sets is constantly growing, we request that you ask your authorised Volkswagen agent or view the information at our website: www.volkswagen-zubehoer.de.

For vehicles without factory-fitted telephone kits

Bluetooth hands free system

This user-friendly hands free system with 2.8" TFT colour touch screen display represents the state-of-the-art and is especially easy to use while driving. The user-independent DialogPlus voice activation recognises words very quickly and accurately. To make operation even easier, it also incorporates spoken help features. The text-to-speech function reads SMSs clearly and comprehensibly (dependent on mobile phone), giving you the maximum information without you having to look at its screen. You can play MP3s from your mobile phone through the vehicle's speakers via your phone's audio stereo streaming (A2DP) and the radio's AUX-IN. You will find the necessary adapter cables in the enclosed price list.

There are certain burdens you need to be able to shoulder.

The Passat CC is, of course, seductively good-looking. But it is highly practical, too. Nothing can stop you from taking everything with you that you hold dear – from your little ones, to your bulky sports equipment. Volkswagen Accessories provide you with all sorts of possibilities in this respect – and in the quality that you are accustomed to in your Passat CC.

Volkswagen Genuine **bicycle lift**

(pictured on left)

The bicycle lift allows you to lift the bicycle easily onto the roof of your Passat CC. Bikes are transported securely because they are firmly attached by the saddle, handlebars and wheels. The bicycle lift is fitted onto the basic rack.

Item no. **4D0 071 128 D**

Volkswagen Genuine **basic rack**

Stay equipped when you are on the road with Volkswagen transport systems. The City-Crash tested Volkswagen Genuine basic rack provides the basis for that; to it can be attached items such as a ski and snowboard holder, a bicycle holder, a surfboard holder or the useful kayak holder.

Item no. **3C8 071 126**

Volkswagen Genuine **bicycle holder**

This bicycle holder is exactly right for every keen biker. It is made from aerodynamically shaped plastic sections and the frame mounting is made from matt chrome-plated steel. Easy to fit to the basic rack. Net weight: approx. 3.2 kg. The bicycle holder is City-Crash tested and lockable.

Item no. **6Q0 071 128 A**

Volkswagen Genuine

“komfort” ski and snowboard holder

Off to the piste! With this ski and snowboard holder you can easily carry up to six pairs of skis or four snowboards on the roof of your vehicle. It is easy to fit to the basic rack, and it can be locked. Broad opening buttons enable you to use the ski holder while wearing thick gloves. Pull-out function to make loading and unloading easier.

Item no. 1T0 071 129

Volkswagen Genuine **skisack**

(not pictured)

The useful skisack provides transport for up to four pairs of skis including ski poles, and protects the skis against damage by other items of luggage in the vehicle. The integrated belt can be slotted into the seatbelt socket in the passenger compartment. A full-length zip and comfy handles make the bag easy to use. Length: approx. 200 cm, for skis up to 190 cm long. Colour: black.

Item no. 00V 061 202

Volkswagen Genuine **storage bag**

(not pictured)

When you no longer require the skisack, you can stow it tidily in this storage bag.

Item no. 00V 061 201

Surfboard holder

Comfortably carries one surfboard. Includes double mast holder and double tension straps, quick and easy to fit to the basic rack.

Item no. 000 071 120 HA

**Volkswagen Genuine kayak holder**

The kayak holder was developed specially for transporting kayaks weighing up to 25 kg, which it carries conveniently on the basic rack, without any sliding or wobbling.

Item no. 1K0 071 127 A

**Volkswagen Genuine luggage frame**

Do not let loads be a burden. This luggage frame is made from fully galvanised steel tubing. It is sturdy and weatherproof, and offers numerous extra ways of transporting things. The end-tubes can be shifted to create an even loading area. Dimensions: 101 x 76 x 14 cm.

Item no. 191 071 130 F

Volkswagen Genuine bicycle rack for tow bar

Makes taking two bikes on holiday a simple affair. Quick to fit on the tow bar ball. Lockable fixing screws enable flexible handling and provide extra security. Max. load: 35 kg.

Item no. 3C0 071 105

Bicycle rack for tow bar

Item no. 3C0 071 105 E

Extension kit for third bicycle

Volkswagen Genuine tow bar, removable

Extend your Passat CC's transport capabilities with the Volkswagen Genuine tow bar. Quick and easy to remove, making it particularly practical. Please adhere to the maximum permitted load-bearing capacity of 85 kg.

Item no. 3C8 092 155

Volkswagen Genuine electrical installation set

(not pictured)

The electrical installation set for the removable tow bar contains an in-built controller which is integrated into the vehicle's electronics. 13-pin.

Item no. 3C8 055 204

Volkswagen Genuine luggage net

Ensures that everything stays in its place and that lighter items do not slide around. This tear-proof net has hooks that are easy to attach to the securing eyes that are fitted as standard to the floor of the luggage space.

Item no. 3C5 065 110

20
21

Volkswagen Genuine cargonizer

The cargonizer is a useful, precision-fitting insert for the luggage space floor. Divided into five different sized compartments, it offers you extra storage for all those utensils and items that you only occasionally use.

Item no. 3C0 061 200

Ready to go

Children should travel as safely and comfortably as possible, and to make sure they do, Volkswagen Genuine Accessories provide the best conditions possible. Our tests go beyond the statutory safety requirements – side crash tests, for instance, have confirmed the high quality of our child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30°C – all of this comes as standard. All child seats comply with the currently valid ECE standards 44/03 and 44/04.

Volkswagen Genuine

Bobsy G1 ISOFIX DUO plus

ISOFIX seats offer high-level protection: the special ISOFIX attachment standard connects the child seat securely to the bodywork. The Bobsy G1 ISOFIX DUO plus has height-adjustable harness straps and the seat shell can also be secured in three positions. Includes folding-in snap-clips for use in vehicles without the ISOFIX system. Suitable for children between approx. 9 and 18 kg (8 months to approx. 4 years).

Item no. 00V 019 909 B

Volkswagen Genuine **Bobsy G1 ISOFIX Top Tether**

(not pictured)

The Bobsy G1 ISOFIX Top Tether has all of the practical features that the Bobsy G1 ISOFIX DUO plus has, but it is also secured to the Top Tether fittings in the boot using the Top Tether connection, giving it additional stability. The seat can be used in any car with Top Tether fixing points. Suitable for children between 9 and 18 kg (8 months to approx. 4 years).

Item no. 00V 019 909 C

Volkswagen Genuine Bobsy G0 plus ISOFIX

The child is held safely in the new Bobsy G0 plus ISOFIX by an integrated, height-adjustable 5-point harness. The special ISOFIX attachment system connects the child seat securely to the bodywork. The sensitive back of a newborn is protected by an integrated seat insert. High side walls and the deep shell provide additional protection. Includes pivoting carry-handle and sun shield. Can also be used in vehicles without ISOFIX connectors but with a 3-point seat belt. For infants of up to 13 kg or approx. 15 months

Item no. 00V 019 907

Volkswagen Genuine Bobsy G0 plus

(not pictured)

Child seat like the Bobsy G0 plus ISOFIX, but without ISOFIX connectors.

Item no. 00V 019 900 C

Volkswagen Genuine Bobsy G3 plus

The Bobsy G3 plus is made up of a seat cushion and sleep support, and places the child at the right height so that the seat belt assumes the best possible position. The seat surface can be adjusted to suit the child's breadth across the hips. The height of the sleep support can be adjusted, and it can be tilted to match the car seat back, ensuring that the child stays comfortable even on longer journeys. Covers are removable and washable. The seat is secured using a three-point belt. For children between 15 and 36 kg (from 3 to 12 years).

Item no. 00V 019 906 A

[illegible]

Your Passat CC is worth it.

Often it is the little things in life that make the difference: more convenience here, less wear and tear there ... and all in all, more pleasure from your Passat CC – and for longer, too. All thanks to the useful extras from Volkswagen Accessories.

Volkswagen Genuine luggage tray

(pictured on left)

This useful boot protector for your Passat CC is a perfect fit. It is wipeable, non-slip and acid-resistant. It has 5-cm-high edges all round, which prevent liquids from running onto the floor of the vehicle. Makes keeping your boot clean really easy. With Passat lettering.

Item no. **3C5 061 180**

Volkswagen Genuine V-Protector

(not pictured)

The Volkswagen Genuine V-Protector is a transparent set of films which protect the vehicle against stone-chips, corrosion damage and scratches. It helps preserve the vehicle's value, and is perfectly tailored to the Passat CC. These films can be removed without trace, even after years. The package includes films for the bumper, the wing mirror casings, the door-handle insets and the loading lip.

Item no. **3C8 061 193**

Volkswagen Genuine luggage space liner

This light, flexible liner is precisely tailored to the contours of your Passat CC. It has edges approximately 5 cm in height, which provide plenty of protection against water and dirt. A diamond pattern integrated into the material prevents loads from slipping around. If sometimes you do not need the luggage space liner, it can easily be rolled up and tucked away in storage.

Item no. **3C5 061 160**

Volkswagen Genuine reversible boot mat

This precision-fit, practical reversible mat made from velour protects the boot of your Passat CC from all kinds of dirt. The easy-care, dimpled plastic on the reverse ensures that your load does not slide around. A useful accessory whenever you have to transport dirty or wet objects. For vehicles with raised load space floor.

Item no. **3C8 061 210**

Volkswagen Genuine loading lip guard film

(pictured on right)

This precision-fit, transparent loading lip guard film prevents damage to the bumper when loading and unloading. Easy and quick to stick in place.

Item no. **3C8 061 197**

Volkswagen Genuine parking distance control

(similar to picture)

Parking distance control can be retrofitted and makes parking easier using acoustic signals. The distance is measured by four ultrasound sensors embedded into the bumper. Includes an intelligent set-up function, which prevents objects such as the tow bar from being wrongly recognised as obstacles.

Item no. **3C8 054 630**

Volkswagen Genuine permanent driving lights upgrade

Give yourself that bit more comfort, and improve your visibility: vehicles with permanent driving lights are seen much more readily in traffic. The permanent driving lights are activated automatically when the ignition is switched on, and are indicated only by the lights switch in the interior. Not suitable for vehicles with xenon headlights.

Item no. 3C8 052 431 A

For vehicles without fog lights

Item no. 3C8 052 431 B

For vehicles with fog lights

Volkswagen Genuine cruise control

Cruise control is an electronic instrument for controlling the speed of travel. It assists the driver when adhering to speed limits and towing, especially over long distances. The system stores and maintains the speed chosen by the driver. The reset function automatically accelerates the vehicle to the previously chosen speed after braking and/or changing gear.

Item no. 3C5 054 690

Volkswagen Genuine clothes hanger

The Volkswagen Genuine clothes hanger is ideal if you need to carry your clothes with you to the office or a formal occasion without creasing them. The clothes hanger is easy to fix to the headrest bars on the seat.

Item no. 00V 061 127

Volkswagen Genuine mudflaps

These precision-fit mudflaps are extremely tough and long-lasting. They protect the underbody, bumpers and rear of your Passat CC from heavy dirt. Dangerous stone-throw is reduced, and spray minimised. Colour: black.

26
27

Volkswagen Genuine Premium fabric footmats

These fabric footmats are perfectly shaped to fit in the footwell of your Passat CC, and are made from tough, tightly woven velour. The front mats have white Passat lettering, and are kept firmly in place by attaching them to the anchor-points in the footwell. A wear-resistant back coating ensures that the rear mats remain in exactly the right place. Set for front and back.

Item no. 3C1 061 270 PB W GK

Volkswagen Genuine rubber footmats

If things are going to get wet, then the rubber footmat set, with Passat lettering, is recommended. They collect dirt and moisture, which can then be easily removed by washing. These footmats are cut to a perfect fit, and in the front they are secured to the floor of the vehicle using attachment studs that prevent them from sliding.

Volkswagen Genuine warning waistcoat

This lightweight safety waistcoat in fluorescent orange with reflective signal stripes is made from 100% polyester and is approved under DIN EN 471. In Germany, drivers must carry a warning waistcoat in work vehicles (except if self-employed), and it is already obligatory for every occupant in some other countries. The warning waistcoat is supplied in a cloth bag which closes with a press stud.

Item no. 000 093 056 B

Volkswagen Genuine warning triangle

Its design makes this warning triangle very small when folded up so that it takes up very little space. Complies with ECE regulation 27 (Economic Commission for Europe). With pivoting metal feet.

Item no. 000 093 057

Volkswagen Genuine first-aid kit

(similar to picture)

Perfectly stowed but always at hand: this first-aid kit has been specially designed to fit in the storage compartment of the Passat CC's central armrest. It is vacuum-packed, fulfils the requirements of the German legal stipulation StVZO, and is equipped in accordance with DIN 13164.

Item no. 3C8 093 108 E

Volkswagen Genuine tow rope

TÜV and DIN tested tow rope for vehicles with a total weight of up to 2,500 kg.

Item no. 000 093 014

It is great when style sets new standards.
